## TRANSCRIPT GUIDE

THE UNIVERSITY

Texas A&M University, the state's oldest public institution of higher learning, was established in 1876 as a land grant college. Many programs are offered at undergraduate and graduate levels through ten academic colleges, including professional programs in medicine and veterinary medicine, and through Texas A&M University at Galveston. In 1963 the name was changed from the Agricultural and Mechanical College of Texas to Texas A&M University.

## ACCREDITATION

Texas A&M University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. Individual colleges and programs are accredited by appropriate professional organizations. Information about accreditation is listed in the University catalogs.

## CALENDAR

The academic year of Texas A&M, for graduate and undergraduate students, is divided into 15-week fall and spring semesters and the summer session which consists of two terms of 5 weeks each and a 10-week semester. The academic year for students in professional programs is divided into terms and semesters.

## ACADEMIC CREDIT

The unit of credit at Texas A&M is the semester hour. Each semester hour represents a class meeting 1 hour per week or a laboratory of 2 to 4 hours per week for 15 weeks. Regardless of the length of the semester, the same academic credit is awarded for a course, and a standard number of contact hours is maintained. Each course listing on the front of this transcript includes:

- Course title  
Subject area and course number  
Grade earned  
Credit hours and grade points earned

Each semester listing also includes a summary of total hours passed and grade points earned.

Grade Point Ratio (GPR) are displayed at the end of each semester for undergraduate students only.

## GRADING SYSTEM
